THE KNIGHTS' NOTES

A very convincing win over Armadale last week sees us now consolidated in second position. A win against Thornlie today is an absolute must if we are to continue in our quest for top honours. The success our League side is experiencing is reflected in the tremendous improvement in our home ground crowds and a win today would see Medina Oval packed next Sunday for our game against Maddington.

As with the previous week last Sunday's game was over by quarter time following a first quarter effort of ten goals. The feature of our game was the tremendous precision passing with all players featuring in a great team effort. Best players were:—

Dave McGlade: Tenacious and persistent.

Ron Caporn: Dashing and determined.

Frank Legena: Perfect disposal.

Don Baskerville: Tremendous ruck work.

Brian Keep: Pacy and penetrating.

PLAYER OF THE WEEK

Kwinana without Ron Caporn would be like hot dogs without tomato sauce. Ron is one of the young "veterans" of the side and has given our play tremendous service. He is one of the few players still with us who played with Medina in the old North Murray Association and his dedication to the Club has never wavered. Neither Ron nor his wife Barbara ever miss a Club function of any sort and when Ron pulls' on that number 2 jumper you know he will give you one hundred per cent. What Ron lacks in inches he more than makes up for in courage, tenacity and persistence. Many an opposition player twice his size will testify to the fierceness of his tackling. I doubt if anyone can remember when Ron last played even a mediocre game.

The Reserves side also recorded a good win although goal front inaccuracy spoilt their performance somewhat. Best players were Alan Swetman, Les Smith and John Legena.

It was disappointing to see so few players remain behind after last Sunday's game. Of the eight awards announced only three players were present to receive them—quite an embarrassment.

Quote of the Week: It's not you—it's not me—it's US.

KING ARTHUR.

WICK'S WEEKLY

A resounding win for the Reserves side and a disastrous loss for the League side. That is what eventuated out of last week's games.

The Reserves had an even tussle with Thornlie for the first three quarters but in the final quarter the Royals side steadied, used the ball effectively and went on to win by over six goals. They now have consolidated their place in the top four.

All players contributed to the victory, however those to stand out were Barry Rashford in the backline, Darryl Ogg on the ball and Angelo Finnigravi on the centre wing.

The League side played a good brand of football for the first three quarters and looked to have the game soon up when they went straight into it in the last quarter. But, as usual, there was a lapse in concentration from all twenty players and consequently Thornlie took the advantage and slammed on quick goals which won them the match.

A more dedicated approach is required by all players if we want to remain a force in the competition. This can only be achieved if all players attend training and in general get behind the club. Several League players will have to take a good look at their form and go about improving it otherwise the axe may fall.

Best players in last week's game were Graeme Nicholas on the ball, Neville Fry who roved well in his first League game for the year, Kevin Wilson at centre half back and Brian Thompson on a wing.

This week we play Cannington at Wyong Oval and a win is a definite must. Let's see all players get behind Pat and Brian, lift their game and bring home a double.

KOUGARS**

Maddington proved that they are strong contenders for the flag again this season. However our game was not up to our usual performance. When pressure was applied the game became a more even tussle. We need a few more gun performers to lift us to success and this is not beyond the individual performance of seventy-five per cent of our players. A little more determination and dedication and we will surely get the results desired.

Well done Kim Bingham, Eddie Hayes, Phil Hayes, Terry Enright and John Wilson.

Reserve players Glen O'Rourke, Les Dobson, Chopper Chapman, Russell Evans and Trevor Netherway gave this side bite. Again a little more effort from the whole team and we will look forward to better performances.

Many thanks to all supporters of our cake stall. Your efforts will bolster the finances required to build up the future of the Kalamunda Football Club.

With a desire that must take onwards in the quest for this year's honours the League team recorded a most comfortable victory over the well thought Kelmscott side.

In a team with no passengers best players didn't stand out easy but mention must be made of the performances of Mark Smythe (doesn't know the word defeat); Ray Minson (experiential inspiration).

Peter Dougan (priced dedication); The first round of the supporters Club Bumper Board concluded last week and congratulations to winners.

Len Marsh, 21 votes; Peter Dougan, 13 votes; Don Sloper, 11 votes; Ian Gimblett, 11 votes.

The Seconds side after some very impressive displays collapsed in last week's game and whilst allowing for a depleted side because of injuries much more effort must be displayed on the field than that which was shown against Kelmscott.

Town and Country Award Winner: Kevin Wyld.

"THE BULLS"

Another double in two very one sided games was the result against Kalamunda last weekend.

Whilst the League team were not put under a great deal of pressure, they produced a consistent brand of football scoring seven goals in each quarter.

Jake Butler continued in fine form and finished with 13 goals and together with Noel Knight on a half forward flank, who dominated this position, the Bulls always had a sure avenue of attack. The backline led by Rod Mohr and Brian Godridge have really melded into a strong combination and the opposition are going to have their work cut out when trying to penetrate this efficient line.

In a very even team performance players to stand out were Rod Mohr, Noel Knight, Jim Butler, Dennis Commett, Brian Godridge and Jim Commett.

Everyone predicted a runaway victory in the Reserves. However, it was not until the second half that they settled down and played systematic football enabling them to win by a big margin.

BEST PLAYERS: T. Wilson, R. Jarvis (9 goals), T. Richardson, A. Hynam, D. Walker and J. Slavin.

TIGER RAG

Canning has finally broken the ice with a win in both grades against Mandurah. Both sides played good football but more can be expected of them.

The League side showed only a glimpse of their true form but to apply themselves better in future games to enable the winning to continue. We won that's the main point.

Once again Billy Archibald and Greg Green were Canning's best two players and let's hope their present form can continue. Although Canning had a few lapses they had the ability to counter these with the aid of the Inform Johnny Vlahov and Neville Vellacott. Alan Wheelock seems to have regained his practise match form along with newcomer Greg McQueen. Coach Polsen also played strongly after his unexpected "3 week holiday."

The Reserves also won but did it the hard way by missing too many easy shots at goals. Ron Hunter, Canning's best player, and John French have been seen during the week having goalkicking practice.

Norm Docking played a great game for his first appearance of the season as did Brett Symonds and newcomer Alan Stewart. Neville Jones continued his great half back line play and Ross Cowan played well at full forward to boot 6 goals.

Congratulations to Paul Polsen and John Vlahov for being selected in the S.S.M.N.F.L. combined side to play the W.A.F.A. later this season at Gosnells Oval

SOCIAL SPEAKING

Ball tickets are still on sale, hurry and purchase yours before all go. The Canning committee tends an invitation to other clubs to join us at the Ball—place Cannington Central on the 12th July.

Rumours around the club this week say that today's game against Kenwick will be our second double.

WE HAVE A LARGE RANGE OF FOOTBALL INJURY NEEDS

BULLDOGS BULLETIN

Last Sunday the Reserves side had a very good win against Gosnells. The Bulldogs did everything asked of them by their coach Peter Edwards. They backed up, moved the ball around and kicked accurately at all times. We had a winning ruck with Barry Wardlaw turning in a tremendous game, Alan Mitchell and Alex Stoma scouting cleverly. After all, the game starts from the rucks and rovers. Their work was capped off with another fine performance from Wally Bickerton (8 goals).

All players were prepared to do the hard work in football which is often spoken of by Ray and Peter. Congratulations to Peter and his boys. They say you play as you train and at present, the boys in the Reserves are training exceptionally well and enjoying it.

Best players: Barry Wardlaw, Wally Bickerton, Kevin Slodecki and Colin Stewart.

LEAGUE:

It's unfortunate we can't write the same about the League. After a good first quarter, in which we had 12 scoring shots to 6, our players, with the exception of "Crazy" Della, looked very disinterested and were willing to be second to the ball.

We were not prepared to do all the hard work, back up, or pin point the ball. Consequently, Gosnells took control.

Congratulations Gosnells. You showed dedication to win throughout the game and the way you played, resulted in victory, which you deserved.

Right fellas, it starts at training. Let's see you all there from now on.

Best players: Peter Della, Barry Gibson, Ray Witt and Kim Turner.

We all hope and wish Ray Lawrence "a speedy recovery" from his back injury.

Today we face Mandurah at John Dunn Park, Kelmscott. Let us see if both our teams can knuckle down to the game and come up with a double victory. Somebody used "Mothers' Day" as an excuse for our loss last week, well, today is NOT "Mothers' Day."—LAST EXCUSE.

R. S. BULLDOG.

DEMONS DIGEST 'COME ALIVE - IN 75!'

At Gwynne Park today, we are hosts to the League leaders and last year's Premiers, Maddington, the "Bulls." Whatever the results, our visitors will be welcomed to our after-match drink'n'chat session.

At Maddington last week our under 18's scored a convincing victory, almost doubling their opponents' score. Keep at it lads, we are desperately short of pennants in the Senior Club at present.

Though a low scoring game, the Reserves improved their lot against Kwinana last week down at Medina. Their loss was not so disheartening as in previous games, and with more effort each week they should start winning a few games. In this game, players to catch the eye were Brian McGrath (again), Frank Gajda, Colin Towers, and a vastly improved performance from "Bluey" Brown who really got stuck in.

The Reserve side fell to an all out burst in the first quarter from Kwinana, identical to the burst that Kwinana put in against Kenwick the week before. If we had contained Kwinana in the first quarter, the result would have been much closer, for the remaining quarters were fairly even, scorewise. Nevertheless, full marks to Kwinana for the way they played. We must chalk it up to experience, and learn from it. In this game, "Fish" Heron, Terry Slater played well at the back, "Tanglefoot" Connell played well for the first half, "Sneaky" Pete Gajda's fighting qualities are something for others to follow. The "Flyer" Allan Narkle, was our only consistent goalkicker, and Alby Gray's effort was sheer determination.

The support for the Demons was once again, very good. Keep it up, you little devils, and follow the Demons!

"IN THE LIONS LAIR"

Congratulations Lions for a good win last week against the "Wicks" in what was obviously our greatest test yet. I am sure that all supporters who were at the game were most disappointed at our first half effort yielding only 2 goals for the half. After a stirring talk at the big break by coach Fred Seinor the Lions showed great determination to completely dominate the game putting us back into calculations by the three-quarter break. In the last quarter all players lifted themselves to give Thornlie their first ever win at Mills Park since their entry into the competition. Well done fell'as.

BEST PLAYERS — LEAGUE

F. Seinor, K. Tylor, C. Roe, J. and R. Brown.

Unfortunately the Reserves are another story. From level pegging at 3 quarter time to a 7 goal defeat at the final bell is nothing short of shocking. I am sure J.T. would be very disappointed in the display and it would appear that all the players need to take a long hard look at themselves before next week's game against Kwinana.

BEST PLAYERS — RESERVES

R. Treadrea, R. Bullingham, S. Vickers.

Today we face another couple of hard games against Kwinana as they are on a winning streak and will be very hard to beat.

To all players and supporters of Kwinana we welcome you to the home of the mighty lions and hope you will stay back afterwards for a chat and social drink.
